

**MBL**

# **MBL architectes**

**Since 2013, MBL architectes has been working against a conception of architecture as a form a priori. The studio instead formulates projects emerging from a careful process of discovery. Empirical research methods meet theoretical speculation, in order to define a specific framework for each project.**

<b>Year</b>	<b>2021</b>
<b>Location</b>	<b>4 rue Myrtille Beer, 93400 Saint-Ouen-sur-Seine, France. mail@mbl.archi</b>
